ABOUT US

Samal Transport is a leading logistics and construction service provider based in Keonjhar, Odisha, specializing in transportation, civil construction, mining operations, manpower supply, and financial coordination. With years of proven experience, we have built a reputation for reliability, quality, and timely project delivery.

Our journey began with a simple mission — to create an integrated service that connects people, materials, and opportunities through efficient transportation and infrastructure solutions. Today, we proudly operate across India, delivering excellence in every project we undertake.

Our services

1. Transportation Services

At Samal Transport, we specialize in providing reliable and efficient transportation services across India. Our modern fleet and experienced logistics team ensure timely and safe delivery of goods, construction materials, and industrial equipment.

OBJECTIVE:

- Nationwide logistics network
- Timely pickup and delivery
- GPS-enabled vehicle tracking
- Experienced and licensed drivers
- Specialized transport for heavy equipment and plant materials

2. Civil Construction

We are a trusted name in civil construction, executing major infrastructure projects under PWD and R.D. (Keonjhar) and other private organizations. Our dedicated engineering team, skilled workforce, and advanced machinery deliver superior quality and long-lasting structures.

OBJECTIVE:

- Road and bridge construction
- Building and foundation work
- Earthwork and site development
- Drainage and culvert construction
- Renovation and maintenance services

Our services

3. Mining (Odisha)

Our company is actively involved in mining support operations throughout Odisha, offering complete logistical and manpower solutions for mine sites. From transporting raw materials to handling excavation equipment, we provide end-to-end mining assistance.

OUR EXPERTISE:

- Material handling and dispatch
- Earth excavation and site clearing
- Equipment and machinery supply
- On-site manpower for operations
- Safety-focused project management

4. Heavy Earth Mover

Samal Transport offers heavy machinery rental and operational support for civil and industrial projects. Our advanced fleet of excavators, bulldozers, and loaders ensures smooth and efficient earth-moving operations.

SERVICES INCLUDE:

- Earth excavation and land leveling
- Loading, dumping, and grading services
- Road and foundation preparation
- Equipment rental with operator support
- On-site maintenance and assistance

Our services

5. Manpower Supply

We understand that people are the backbone of every successful project. That's why we provide skilled and experienced manpower for civil, mechanical, and industrial operations.

OUR WORKFORCE COVERS:

- Construction labor and site workers
- Machine operators and technicians
- Supervisors and project coordinators
- Safety and support staff

Every worker is trained, dependable, and aligned with our company's quality and safety standards — ensuring smooth execution from start to finish.

6. Financial Solution

Beyond construction and logistics, Samal Transport also supports clients through financial coordination services that ensure seamless project execution.

OUR FINANCIAL SUPPORT INCLUDES:

- Project funding assistance
- Vendor and client payment coordination
- Budget and cost management
- Timely documentation and billing support

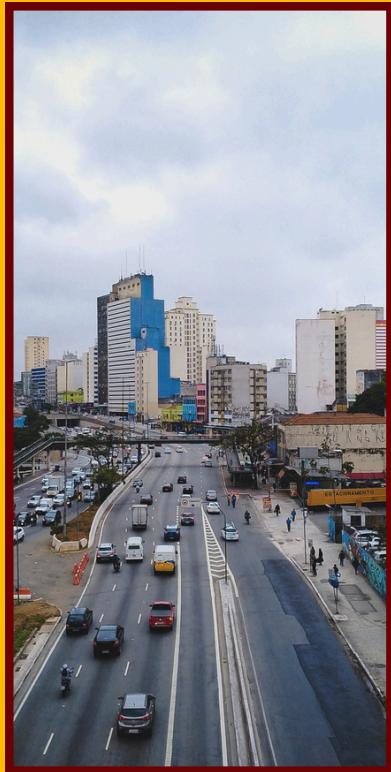

We combine our operational experience with financial reliability to help clients manage both time and cost effectively — ensuring progress without interruption.
